Attention: Rose and Elana

Dear Rose and Elana,

Re: Christmas Party

We really have no words to express our absolute gratitude to you and Global Business for the incredible Christmas party that you organized for the children – thank you just seems so inadequate.

As you know, through your visit to Greensleeves, the children's home is the result of a calling of Di and Ian Lehy's to provide a place of safety for children and the work that they are doing is truly remarkable. Changes at the home take place daily but as Di is still trying to register with the Government for funding, they can only take place with the help of people like you. Your many donations of carpets and cabinets have provided the children with a real home – so thank you. A special thanks goes to Nathan who was the very first Father Christmas the children had the pleasure of meeting. Though some cried and some ran away, they now associate the "man in red" with an absolutely magical day.

Global Business is to thank for the smiles on all of the kids faces. Please, if you have any pictures would you kindly send them as we are in the process of setting up a website Greensleeves.eln.co.za

Thank you again for your ongoing prayers and support – the lives of all of our children are truly blessed by you all.

Kind Regards

Katherine Nigris on behalf of Di, Ian and all at Greensleeves.
