The learning programme training period will take on the lifespan of the unit standard or the accreditation duration of the training provider or whichever date comes first. Training providers must re-apply for learning programme approval timeously and ensure that it is in line with the replacement unit Standard where applicable.

In addition, it is the training provider's responsibility to request for a verification audit once assessments and moderation of learner achievements have been conducted. Please consult the Coordinator: Verification on 011 372 3300 to arrange for the verification visit.
